# Vehicle Window Stickers

Clear Polyester - Permanent

Parking stickers are important to identify vehicles authorized to park in certain patrolled parking areas. They also are an ideal way to promote a company's logo or message. These stickers must be visible and oftentimes able to display a handwritten identification. Excellent image quality must be maintained until the sticker expires. The adhesive must bond well to auto glass and bumpers and be easy to apply. Parking stickers provide an additional means of promoting your image.

End-Use Applications: Parking Stickers Oil Change Stickers College/Alumni Decals After-market Decals
